

Please share your ideas, comments & suggestions:

**Comments from your neighbors in Madison County:**

*Promote small, energy efficient homes in clusters*

*Provide renovated, restored housing for all people at all income levels*

*Historic preservation of older homes particularly those of historical archaeological significance*

*Management of the defunct/bankrupt subdivisions*

*Slope regulations for residential development*

*More green building and solar applications*

*Educate folks about the way to more efficiently design and site their residence (energy efficiently, cost reduction)*

*Help prevent unnecessary foreclosures on family homes*

*Community land trusts*

*More mixed income housing*
