

Draft Goals Housing

Promote the development of a variety of housing options that are appropriately priced for persons of all income levels.

Increase the supply of new and existing housing stock that is safe, sanitary, energy efficient and accessible to the elderly and persons with disabilities.

Encourage the development of affordable/workforce housing within proximity to employment, transportation, services, goods and recreation.

Recognize the unique needs and differences of rural and urban communities and tailor housing planning accordingly.

Promote legislation at the Federal, State and Local levels that support other identified housing goals.
