

# GroWNC

on the horizon

Join us on a **Community Road Trip** to explore what makes our region so special and what we can do together to keep it that way.

This **1st round** of community meetings will:

- be **FUN** and **Interactive**
- spotlight what makes our communities great
- take a few **draft goals and objectives** around the block for a spin
- and most importantly, **hear what YOU think about it all!**

**When:** May 10, 2012 - 4-7pm

**Where:** Madison High School Media Center  
5738 Hwy 25/70, Marshall

**Why:** So that **Together We can Create Our Future!**

Enjoy local food and music while you take a spin around the future of our region. Children are welcome - organized activities available. You might even win one of the fun, local door-prizes.

Can't make it to the Community Meeting in person? We've got a Community Road Trip on our website you can take on your own (by yourself, or with friends) - just visit [www.gro-wnc.org](http://www.gro-wnc.org) from more information.

Together, we create our future!
